

Interested in a Summer Ecology Camp Scholarship?

Through the generosity of the Dyson Foundation and local community members, we are able to offer a limited number of scholarships to qualifying families.

If you would like to apply for a camp scholarship, please fill out the information on the back of this page and mail or email to **Cary Institute c/o Ashley Alred, Box AB, Millbrook, NY 12545** or alreda@caryinstitute.org

Scholarships will be awarded on a first come, first served basis.

COVID-19 Vaccination is Required for Cary Camps: Upon confirmation of a scholarship, we require all campers to submit proof of full vaccination with an FDA authorized vaccine as recommended by the CDC. We will share more information on our COVID-19 protocols closer to your camper's start date.

For more information about Cary Institute Ecology Camp, contact Ashley Alred at (845) 677-7600 ext. 321.

Eco-Discovery Camp: for children entering grades 2 through 8

The Eco-Discovery Day Eco-Discovery Camp is...

- a week of activities related to ecology and nature study. Children explore our 2,000 acre property through ecology experiments, hiking, arts & crafts, playing fun games and meeting the Cary Institute scientists.
- designed to encourage a sense of discovery and to stimulate the imagination of young campers as they learn about the exciting world around them.
- led by trained and experienced ecology educators. Each week is limited to 12 children.

Art & Science Camp: open to students entering grades 8 through 12

This week-long program offers students a unique opportunity to combine field ecology and artistic practice as they investigate the Cary Institute's forests, streams, and fields. Scholarships are limited, so please apply ASAP if you are interested.

2023 Cary Ecology Camp Scholarship Application

Child's Name _____ Parent/Guardian Name(s): _____
