About Us

The **Cary Institute of Ecosystem Studies** is a private, not-for-profit environmental research and education center. For over twenty-five years, our scientists have been investigating the complex interactions that govern the natural world. Their objective findings lead to more effective policy decisions and increased environmental literacy. Focal areas include air and water pollution, climate change, invasive species, and disease ecology.

The Cary Institute is dedicated to connecting its findings to learners of all ages. To learn more about our educational offerings, public programs, and free scientific seminars, visit our website at www.caryinstitute.org

CHECKLIST to Butterflies and Skippers

Common butterflies and skippers found at the Cary Institute of Ecosystem Studies

Cary Institute of Ecosystem Studies
Millbrook, New York

Butterflies & Skippers

Swallowtails Family
Papilionidae

Black Swallowtail
Papilio polyxenes

Eastern Tiger Swallowtail
Papilio glaucus

Spicebush Swallowtail
Papilio troilus

Whites and Sulphurs Family
Pieridae

Whites Subfamily
Pierinae

Cabbage White
Pieris rapae

Sulphurs Subfamily
Coliadinae

Clouded Sulphur
Colias philodice

Orange Sulphur
Colias eurytheme

Gossamer-wings Family
Lycaenidae

Coppers Subfamily
Lycaeninae

American Copper
Lycaena phlaeas

Hairstreaks Subfamily
Theclinae

Coral Hairstreak
Satyrium titus

Banded Hairstreak
Satyrium calanus

Hickory Hairstreak
Satyrium caryaevorum

Striped Hairstreak
Satyrium liparops

Eastern Pine Elfin
Callophrys niphon

Juniper Hairstreak
Callophrys gryneus

Blues Subfamily
Polyommatae

Eastern Tailed-Blue
Everes comyntas

Spring Azure
Celastrina ladon

Brush-footed Butterflies Family
Nymphalidae

Heliconians and Fritillaries Subfamily
Heliconiinae

Variiegated Fritillary
Euptoieta claudia

Great Spangled Fritillary
Speyeria cybele

Aphrodite Fritillary
Speyeria aphrodite

Meadow Fritillary
Boloria bellona

True Brush-foots Subfamily
Nymphalinae

Pearl Crescent
Phyciodes tharos

Baltimore Checkerspot
Euphydryas phaeton

Question Mark
Polygonia interrogationis

Eastern Comma
Polygonia comma

Compton Tortoiseshell
Nymphalis vaualbum

Mourning Cloak
Nymphalis antiopa

Milbert's Tortoiseshell
Nymphalis milberti

American Lady
Vanessa virginiensis

Painted Lady
Vanessa cardui

Red Admiral
Vanessa atalanta

Admirals Subfamily
Limenitidinae

Red-spotted Purple
Limenitis arthemis astyanax

Viceroy
Limenitis archippus

Emperors Subfamily
Apaturinae

Hackberry Emperor
Asterocampa celtis

Tawny Emperor
Asterocampa clyton

Satyrs Subfamily
Satyrinae

Northern Pearly-eye
Enodia anthedon

Appalachian Brown
Satyrodes appalachia

Little Wood-Satyr
Megisto cymela

Common Ringlet
Coenonympha tullia

Common Wood-Nymph
Cercyonis pegala

Monarchs Subfamily
Danainae

Monarch
Danaus plexippus

Use this checklist to see how many butterflies and skippers you can identify on the Cary Institute's property. From April 1st to October 31st our hiking trails, internal roadways, and Fern Glen are open from sunrise to sunset. Internal roadway gates open at 8:30 a.m. and are closed at 7 p.m.
